The screenshot shows the website header with the University of California logo and 'Integrated Viticulture Online' title. A search bar is present. The main content area features a large photo of a tractor in a vineyard, a section titled 'About UC Integrated Viticulture Online' with descriptive text and a smaller photo of a person working in a vineyard, and a 'Calendar' section listing various events. A sidebar on the left contains a 'Main Menu' with links to researchers, information, resources, publications, committee lists, and a calendar.

About UC Integrated Viticulture Online	
This website is designed and maintained by the University of California (UC) Division of Agricultural and Natural Resources (ANR) Integrated Grape Production Workgroup to increase accessibility to the work of UC researchers, including faculty, Cooperative Extension (CE) specialists, CE advisors, and staff.	
The Integrated Grape Production Workgroup integrates the knowledge of Agricultural and Environmental Science (AES) researchers, CE specialists, CE advisors and affiliated USDA scientists working in wine grape, table grape or raisin production, with the goal of ensuring a beneficial and productive collaboration in research and extension to clientele throughout California.	
	
Your suggestions for this website are appreciated. Please contact Deborah Golino dagolino@ucdavis.edu or Bev Ferguson bevferguson@ucdavis.edu .
