***NOTE* All Dogs that are to be exhibited at Small Animal Achievement Day are required to have a Dog Identification Certificate on file at the Cooperative Extension 4-H Office 60 days prior to the Event. After the 60 day period, upon written request of the member and his/her project leader, changes can be approved by a committee comprised of Tulare County Dog leaders. If a dog is approved by the committee after the 60 day period, and the member wishes to participate at Small Animal Achievement Day with the new dog a medal cannot be awarded.**

.....
Owner's Affidavit

If this Dog is owned by someone other than you or your immediate family, the owner must complete the following affidavit.

As owner of the Dog described above, I certify that _____, a 4-H'er has my permission to use this Dog in the 4-H Dog project. I understand that the 4-H'er must assume the responsibility for the majority of the feeding of the Dog, stable and equipment for the entire year.
